Job Posting

Quality Assurance/Quality Control Construction Representative

LOCATION: Crescent Junction and Moab, UT

SUPERVISOR: Kathy Turvy

CLOSES: 1/18/2008

HR LEAD: Suzanne Addison

POSTING ID: 2007-23

Posting Description

DESCRIPTION:

- Ensure that the construction project plans are properly executed and evaluate the effectiveness of controls delineated in the QA/QC manual
- Verify that all required construction QC sampling, testing, documentation are performed correctly
- Assist in developing, training, and verifying use of QA/QC procedures and instructions.
- Perform receipt inspections, surveillances, and audits of Moab project operations.

QUALIFICATIONS:

- Experience in construction QA/QC
- Excellent written and verbal communication skills.
- Ability to coordinate multiple activities and provide QA oversight for multiple contractors and craft.
- Experience working on radiological and/or hazardous waste sites. Prefer experience working on a DOE site.

EDUCATION/EXPERIENCE:

- AA degree in engineering science or equivalent experience will be considered
- Minimum 2 to 3 years of construction QA/QC experience.
- Proficient in Microsoft Office software (Outlook, Word, Excel, Power Point)
- Able to qualify as a DOE Radiation Worker II and complete 40 hour OSHA Hazwoper worker training.

Ask your local Human Resources Professional for more information.
